The students paired up for a STEM activity that focused on teamwork! They were able to manipulate marshmallows and toothpicks to see whose group could build the tallest tower!

November will be a month to give thanks! Students will be encouraged daily to show acts of kindness and empathy to honor our Character Traits of the month.

Once again, please do not use the bus lane or the alleyway to drop your students off. All students, unless you are a walker, are to be dropped off through the drop off from the area in the back of the school. Doors open for car riders at 7:45. Do not drop your students off before that and leave

Happy Thanksgiving
